CALL FOR ABSTRACTS FOR THE
1st EELISA INTERNATIONAL CONFERENCE 2023

Context

Are you part of an EELISA Community? Are you an EELISA student, researcher or staff? Then don't miss this opportunity that can give great visibility to your work!

At the occasion of the EELISA 2023 Conference, the alliance is launching a special call for extended abstracts aimed at giving visibility to the work carried out by the EELISA Communities as well as by EELISA students, researchers and staff.

Submitted abstracts will be evaluated by the Conference Scientific Committee and the ones selected will be compiled in an edited booklet that will be distributed during the conference. Moreover, the Scientific Committee might recommend a series of abstracts to be published in relevant journals.

Eligible topics and formats

Abstracts must fall under the following topics:

Eligible topics	✓ Engineering education ✓ Innovative pedagogies ✓ Impact for society ✓ Building sustainable cooperation ✓ Gender Equality, Diversity and Inclusion ✓ Entrepreneurship and Innovation ✓ The University of the future

For this call two types of abstracts can be submitted:

(1) Extended abstracts presenting original research. Length: max. 800 words
(2) Extended abstracts presenting an EELISA relevant case study. Length: max. 800 words.

How to submit?

To submit the proposals, it is mandatory to fill out this template and send it as a PDF to the email: conference@eelisa.eu. As the subject of the email, please, write: Abstracts_*your last name_title of the abstract.*

Deadline for submission of proposals is **1 June 2023**.

The abstracts will be evaluated by the Conference Scientific Committee. Selected abstracts will be notified four weeks after the deadline for submission.
