

## EELISAconnect – Open Topic AI

Join us for the first EELISAconnect workshop at **June 7<sup>th</sup>, 2021** from 15:00-18:00h (CET)! Engage with fellow professionals from Italy, Spain, Germany, France, Turkey, Hungary, and Romania. Draw inspiration from over 16.000 faculty members from 9 higher education institutions all over Europe. Discuss promising Artificial Intelligence themes and create your own community, including new avenues for teaching and research! Connections are key and there are plenty of opportunities to meet new colleagues and old friends!

Given the continued uncertainty surrounding the global pandemic, the first EELISAconnect workshop will be a virtual event.

### What are you looking for?

Please briefly describe what interests you most in the field of AI (max. 300 words).

**What external partners who focus on AI would like to collaborate with or introduce to the EELISA network?**

**What (existing) activities in the context of AI would you like to open for a broader, international audience (e.g. summer schools, lectures, student contests, research symposia, etc.)?**
